

## **Children Can Throw a Party While Learning Their ABCs and Words with Phonetics - Lola's ABC Party Out July 3rd**

*Join the Party! Lola Panda™ invites you and all of her friends to a party. Lola's ABC Party is yet another engaging, educational game from BeiZ, the inventor of Lola Panda™ series.*

FINLAND ([PRWEB](#)) July 03, 2013 -- Lola's ABC Party has been designed for children between 3-6 years. The game gets more and more challenging as the player masters letters and phonetic tasks. After making progress, it is time for the reward and children can make their own special party food like ice cream. Learning the alphabet is fun in Lola's ABC Party! This educational game teaches the alphabet to preschoolers while they are having a blast.

"This game project has been our biggest project so far," says producer Miska Fredman. "The feedback from our teacher test group has been extremely valuable and this game really helps children to learn ABCs and words. It has been great to see also that kindergarten and preschool children really loved the game in our test sessions."

Lola's ABC Party is available in the App Store and in Google Play Store as Free and premium versions. The premium version costs \$1.99/1,79€ and includes more letters and phonetics to learn and different kinds of reward tasks.
